

Materials

- ½ cup of half-and-half
- 1 tablespoon of sugar
- ¼ teaspoon of vanilla
- 1 sandwich plastic zipper bag
- 1 gallon plastic zipper bag
- 3 cups of ice
- ⅓ cup rock salt
- 1 roll of paper towels
- Measuring cup
- 1lb. Coffee can (optional)

Procedure

Place $\frac{1}{2}$ cup of half-and-half, 1 tablespoon of sugar, $\frac{1}{4}$ teaspoon of vanilla in the sandwich plastic zipper bag and close tightly.

Procedure

Place 3 cups of ice and $\frac{1}{3}$ cup of rock salt in the gallon plastic zipper bag.

Procedure

Place the sandwich bag inside the gallon bag and wrap gallon bag in paper towels to protect from the cold.

Procedure

Shake the bag until ice cream is hardened. This will take roughly 15-20 minutes.

You may also place the bag in a 1 lb coffee can and role the can on the floor.
